

Victoria Holiday February 2024

The Victoria is such a wonderful venue for our February dance holiday. Our opportunity to ditch the winter doldrums and head to the English Riviera for some dancing fun. We were blessed with the fabulous Carl Webb for our black tie event and the revellers showed their appreciation as they strutted their stuff on the dance floor.

Lynne's workshops introduced us to the cheery fun Ria Bachata lifting everyone's spirits to the sunshine of this latin dance. The hardcore ballroomers tackled the V6 to add to their quickstep repertoire. With Lyne's expertise it is amazing to see us all achieve. A big big thank you!

Take a look at the impact of the turquoise and black themed evening - a simply stunning vista.
