

SO, WITH NO FURTHER ADO I WISH TO GIVE YOU A SNAP SHOT OF THE JANUARY YEO MILL BALL.

It was great to get together again and as ever the ball was great fun. About 40 of us danced the evening away, many of the regulars as you can guess but it was really great to welcome some new couples too!

It was a familiar format ballroom and latin dancing intermingled with sequence dancing. Everyone had dressed up for the occasion and drinks and nibbles abounded on the tables. John and Hazel came up trumps serving coffee at the interval and donations were collected for North Devon Hospice.

See below some of the pictures to whet your appetite for future events. The next dance is our Jubilee ball May 21st 2022.
