Did we have fun or Did we have FUN?

The week was destined to be great as Friday dawned with brilliant sunshine, South Devon at it's very best. TLH could not have been more welcoming and accommodating as we all arrived to our opening tea dance on Friday afternoon. we had refreshers of the Derwent Waltz and the Zenica Tango for guests who had not had the opportunity to dance them since the last events. How quickly we all picked it up with Lynne's expert tuition.

Friday evening we donned our glad rags for our Black Tie Ball. The spacious dance floor afforded excellent dancing to John Westlake's music at it's best. What more could we ask for?

Workshops on Saturday enabled us to venture into the latin world with the Cha Cha Perdita, lively and fun. With demo upon demo from Lynne and Geoff we all mastered our new challenge with aplomb.

Leisure time through the afternoon allowed us to take in the sights and use the hotels excellent leisure facilities.

Not to be outdone Ballroom superseded the Latin with a tango workshop to warm us up for the evening Green and Orange themed extravagansa. Just look at the spectacle!

Our closing event was a choices dance Sunday morning, such a fabulous round off to the weekend, spot the jubilant side entertainment! Thank you Lynne and Geoff - your attention to detail perfected a brilliant time.
